Dear Bruce:

HANDI 2000 WORK MANAGEMENT BUSINESS CASE

Thank you for the contributions you have made in the implementation of the HANDI 2000 Business Management System. Your effort and commitment to this project has helped the PHMC reach a new level in its managerial and reporting systems.

Bruce, I am grateful for your leadership of the Infrastructure business team and the personal time and dedication you have given to this project. I know you have played a major role in raising the Infrastructure management level of interest and have added valuable insight to the business case.

Your help in development, cost and benefit analysis, and implementation of the Work Management Business Case made it a success. I sincerely appreciate your effort to work as a team member among the major subcontractors. Your assessment and recommendation has resulted in cost savings and benefits to the entire Hanford site.

Thank you for making teamwork a success!
